Plastika SV is focused on the production and distribution of

## HIGHWAY DELINEATOR POSTS

In addition to our Czech and Slovak customers we traditionally cater to German, Austrian and many others clients. We are able to produce any version of these delineators according to the needs of our customers. The delineators are made from plastics (HDPE), with reflective foil or reflective glass. Delineators may also delivered with accesories such as wild warning reflectors, or snow bar for the use in mountainous areas. We also produce elements for anchoring posts. All our products are CE certified.
