CERTIFICATE
OF CONSTANCY OF PERFORMANCE

No. 1388-CPR-7.2/2016

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Delineator post „DE" with retroreflectors

Delineator post is a plastic white polyethylene tube, which has a cross section shape of an isosceles triangle and the top part is closed by rounded extension. The extension is connected with the tube via a black plastic stripe. White retroreflectors are placed on this stripe. Delineator post is used to provide safe directional guidance to the road vehicles.

According to EN 12899-3:2007 Fixed, vertical road traffic signs - Part 3: Delineator posts and retroreflectors, the product is classified as: WL2, D2, DH1, DH2, type R2 and type R3

placed on the market under the name or trade mark of:

PLASTIKA SV s.r.o.
Zborovská 253
768 02 Zdounky, Czech Republic
VAT: CZ25313363

and produced in the manufacturing plant:

PLASTIKA SV s.r.o.
Zborovská 253
768 02 Zdounky, Czech Republic

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 12899-3:2007

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on April 12, 2016 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
